Performance-tuned surface provides peak accuracy & consistency. It is optimized for all types of mouse, such as wired, wireless, optical, and mechanical mice.

The stitched edges guard against surface peeling with 360° of anti-fray precision-stitching.

The durable, non-slip rubber base is designed to eliminate unwanted movement. Dense slip-resistant shading can effectively grip any flat, hard, tabletop surface.

A spill-proof and stain-resistant coating makes liquids slide right off the surface. Effectively prevent unexpected damage from spilled liquid.
